

QMainWindow

```
classDiagram
    BioDatabaseUI --|> QMainWindow
```

A UML class diagram illustrating inheritance. At the bottom is a box labeled 'BioDatabaseUI' with a thick black border and a light gray fill. A solid blue arrow points vertically upwards from the center of the 'BioDatabaseUI' box to the center of a box above it labeled 'QMainWindow'. The 'QMainWindow' box has a thin gray border and a white fill.

BioDatabaseUI
